Plumbing SEA

OUR PROMISE

Our Safety Efficiency Agreement will keep your home's plumbing equipment working at its peak. Our licensed and experienced plumbers will check all key plumbing components of your home to prevent flooding, damage, and malfunction.

BENEFITS

- **Annual Inspection** - Included during regular business hours.
- **Increased Equipment Life** - Proper maintenance will increase equipment life.
- **Lower Utilities** - Don't pay more on your utility bill than you need to!
- **Emergency Service** - 24/7 service at no additional charge.
- **Priority Service** - You'll be at the front of the line for repairs.
- **10% Off Repairs**- Just for being a Safety Efficiency Agreement member.
- **Peace of Mind** - With regular inspections, you can rest easy.

Plumbing SEA Checklist	
	Inspect all supply lines (including refrigerator lines if accessible).
	Ensure all shut-off valves are working properly.
	Check all faucets for leaks, scale build-up and corrosion.
	Ensure proper drain flow.
	Check all drain-waste lines
	Inspect all components of water heater.
